## Greetings and Warm Welcome to all,

SVS Medical College and Hospital has been established by SVS Educational Society in the year 1999, in Yenugonda, Mahabubnagar. The aim of the conference is to explore the physiology, scientific advancements, preventive & therapeutic interventions to promote happy, healthy and successful ageing whilst laying down paths for independent living. With these objectives, experts from diverse fields of Medical and Life sciences are invited to enlighten us with their knowledge and expertise.
